OUR MISSION

Right Steps Network, a 501(c)3 non-profit religious organization that partners with churches and outreach facilities to promote religious activities conducive to spiritual growth for at-risk entities.

Our Motto is: "The Non-Profit for the At-Risk"

KEY PROGRAMS IN A GLANCE

Right Steps Network has been in existence since 2009. As a non-profit agency serving low-income individuals and families, we aim to provide a worthwhile option to an at-risk lifestyle.

The Indiana Next Level Basketball Program is a girl's only basketball training club in Evansville Indiana.

In 2020 our program did not operate due to the COVID-19 virus.

The Evansville Youth Sports Grant which provided equipment for this sport cut back and did not fund our program.

We also did not receive funding from the Evansville Youth Leadership grant that allowed us to attend a leadership class sponsored by the Fabulous After Thirty Evansville (F.A.T.E.).

Here is a list of benefit our program focuses on.

- Provides a safe environment
- Builds leadership & character
- Emphases on education
- Promotes confidence
- Team interaction & bonding

FUTURE PROGRAM PLANS

We will reassess the basketball and leadership indoor programs once the COVID-19 is under control.

We have teamed up Evansville Youth Football League (EYFL). We are giving partner companies and individuals the ability to contribute to helping kids that want to play youth football. We are specifically working with Eville Seahawks, which provides the opportunity for kids from ages 9-11 to participate at minimal cost.

2020 FINANCIAL SUMMARY

Right Steps Network, Inc. receives funds from a robust set of diversified sources. We use the utmost care in the use of the funds to impact the community in a positive way while meeting the financial and outcome obligations of the funders. We also continuously work to keep our overhead and administrative costs to a minimum.
